**Hello, I'm your doctor.**

**We have a real problem:  
it's your heart.**

**Bad news:  
you need a new one.**

**Good news: I'll fix it.**

**Don't listen to other doctors.**

**All losers.**

**Those X-rays, all fake.**

**I'll make you great again.  
Trust me.**

**This is really, really bad.**

**Where are you from?

**Well, you have to pay for it.**

**Personally, I like people who don't get caught.**

**You wanna know how to get to the lake?**

**I'll tell you.**

**Go down Bahnhofstrasse until you see a lake.**

**It's like an ocean but smaller from the standpoint of water.**

**Most people don't know that. Did you know that?**

**Well, I know that.**

**I have a very big brain. Believe me.**
